Returned with compliments

The creation of the post of the Octroi Watcher on a pay of Rs 15/- plus 5 C A sanctioned in G O No L 314-5/11 33-39-1 dated 10-7-39 is mainly for the purpose of detecting cases of smuggling in order to increase the Octroi collections of the Municipality as stated in the Municipal President's letter No H C 63/38-39 dated 22-12-38 to the Deputy Commissioner, Kadur District

On enquiry the Deputy Commissioner, Kadur District, has intimated that the minimum educational qualification required for the post is V Form course and that the duties of the Watcher are (1) to detect cases of smuggling in the town (2) to patrol throughout the town keeping a check over the Octroi Mutsaddies, to detect crimes and launch prosecutions and that his duties are similar to those of an Excise Patrol Sub Inspector and that the nomenclature "Watcher" does not mean watchman but Supervisor Thus it would appear that he is doing superior work under an inferior designation While the service of Octroi Mutsaddies, whose
